Way too young, eleven year old Tucker Creed and his six year old neighbor, Sylvie Bissenette, find they have something awful in common. Creed then decides heâ€™s going to do everything in his limited power to shield his Sylvie from her ordeal. So he does and Creed and Sylvie form a bond that grows and blossoms with their ages.

They plot to leave their lives behind, the town they live in that will hold them down and the histories they share that, unless they break free, will bury them. Sylvie goes to their special place, Creed never shows and she doesnâ€™t see him again until itâ€™s too late.

With Creed gone, Sylvie is forced to endure a nightmare and do the unspeakable to end it. To deal, she develops a hard shell with sharp edges that very few can break through. So when Creed again finds his Sylvie, he discovers the girl he loved is locked away and he has to find his way back into her heart without getting shredded in the process.
