We do not have responsibility with content of this book.

Lanie Heron isn't looking for love-no surprise, considering her last serious relationship nearly got her killed. So when Lanie propositions Hop Kincaid, all she wants is one wild night with the hot-as-hell biker who patrols with the Chaos Motorcycle Club . . .

For Hop, Lanie has always been untouchable. She's too polished and too classy for his taste. But when she gives Hop the once-over with her bedroom eyes and offers him a night in paradise, he can't say no. And he doesn't regret it when he finds that Lanie is the best thing that's ever happened to him-in or out of bed. Now the trick will be to convince her of that.
