Sharing a dorm or a flat with other guys isn't just about dividing up the rent and raiding the fridge for someone else's left-over take-out. It can be about so much more, as this collection of hot erotic short stories will show you.

In *Spying On Rick* a straight stud and the roommate who admires him take things much further than voyeurism. In *Two Pairs Of Underwear* college student Dennis doesn't consider himself gay, but he does have a habit of sniffing his roomies' underwear, until one of them finds out. And in *My Straight Roomies* Jake plans to focus on his studies, until his gay best friend tells him he's slept with one of Jake's supposedly straight roommates. But which one?

Three blazing hot sexually explicit short stories about roommates, all the things they share and all the hijinks they get up to together. Proudly brought to you by Southernwood Press, purveyors of quality male erotica.
