(The Roomies #1) download free pdf on our site, all of pdf files on this server are safed via the syber media. We do not have responsibility with content of this book.

London Reed is on the hunt for a place to live before the start of her second year in college. Either she is successful and can enjoy her student life without the pressure of her parents breathing down her neck, or she goes back home and clashes with her parents.

Because London doesnâ€™t have a filter.

"Youâ€™re a weird one, arenâ€™t you?"

She basically tells it as she sees it. So when she meets the hunky and scarred guy who lives in apartment 2B, the last apartment on her exhausting list, sheâ€™s sure to bring some crazy in his life.

But heâ€™s determined to not take a girl for a roommate.

"I have nothing against you, but I don't see this working for me."

London doesnâ€™t give up that easily and makes a deal with him. If she makes it for two months, sheâ€™s in for the whole year. If not, then she leaves to never contact him again.

Easy, right? Not so much.

"You should have told me that you wanted me to be all over you."

When a guy and a girl live under the same roof, itâ€™s bound to complicate things. Between banters, heady games of seduction, innuendos and insecurities revealed, the life in apartment 2B isnâ€™t simple, and a few slips in their relationship doesnâ€™t help the matter.

"You're driving me completely nuts. That's my fucking problem."

\*\*\*No cliffhanger.
