After seven years of misery and abuse, itâ€™s all overâ€™ Hannah Oâ€™Malley is officially divorced. Hallelujah. Itâ€™s like every Christmas in her life all rolled up into one glorious day. Not only does Hannah get to keep her grandmotherâ€™s spacious old house, but she has full custody of her sparky five-year-old daughter. All Hannah has to do now is put the past behind her. And now that sheâ€™s free, she wants to make a difference. With the help of her warm, close-knit circle of friendsâ€™ including her high school crush, Travis Wilsonâ€™ Hannah begins turning her home into a safe house for other women whoâ€™ve endured the pain sheâ€™s known. But even as life and laughter return to Hannahâ€™s home, sheâ€™s haunted by the memory of her dangerously unstable ex. With a second chance at love on the horizon, Hannah must face down her past in order to let the sunshine back into her life.
