At 19, Beck Barretti is living two lives. To his family, heâ€™s a young man trying to find his way after years of battling a mental illness that nearly cost him everything. But to the rest of the world heâ€™s just another privileged kid with problems. The truth doesnâ€™t even lie somewhere in between because Beckâ€™s entire life is actually about keeping secrets.

From the people he loves.

From the ones he doesnâ€™t.

From himself.

Spending a summer in Dare, Montana with family friends isnâ€™t about starting fresh â€“ itâ€™s about escaping the crippling darkness that threatens to consume him.

Until one encounter that was supposed to mean nothing ends up changing everythingâ€¦

Quinn Donovan had the life heâ€™d always dreamed of until a brutal act of violence ripped it all away. Even though heâ€™s found a new future working at the CB Bar Ranch in Dare, Montana, heâ€™s not interested in trying to get back what he once had. All he wants is a quiet life that includes a job thatâ€™s worth getting up for each morning and hanging out with his best friend, a black and white Paint stallion named Koda.

But nothing prepares him for the strange twist of fate that brings not one, but two men into his lifeâ€¦

Brody Wilder is done hiding in the closet. As the son of a political scion, heâ€™s spent his entire life hiding the truth about who he is just so he could inherit a legacy he never wanted. But those days are behind him and heâ€™s starting a new life in rural Montana where heâ€™s saving lives as a paramedic and building a successful construction business that would surely horrify his old-money, society-loving family.

After years of denying himself, heâ€™s taking advantage of his newfound freedom by indulging in random, meaningless sexual encounters that are about pleasure, not emotion.

So no one is more surprised than him when one night in the back room of a sordid gay club leads to something moreâ€¦

Can three men who came together by chance find the hope they need to build a future with each other, or will they end up letting their fears determine their destiny?
