We do not have responsibility with missing file of this book.

Ben Jones, protagonist of the glowingly reviewed *Never-Open Desert Diner*, returns in a devastatingly powerful literary crime novel about parenthood, loss, and the desert in winter.

Winter has come to Highway 117, a remote road through the Utah desert trafficked only by oddballs, fugitives, and those looking to escape the world. So when local truck driver Ben Jones finds an abandoned, mute Hispanic child at a lonely gas station along his route, far from any semblance of proper civilization, he knows something has gone terribly awry. With the help of his eccentric neighbors, Ben sets out to help the kid and learn the truth. In the process he makes new friends and loses old ones, finds himself in mortal danger, and uncovers buried secrets far more painful than he could have imagined.
