One is playing a long game. But which one?

They meet at a local tavern in the small town of Belleville, Delaware. Polly is set on heading west. Adam says heâ€™s also passing through.

Yet she stays and he staysâ€”drawn to this mysterious redhead whose quiet stillness both unnerves and excites him. Over the course of a punishing summer, Polly and Adam abandon themselves to a steamy, inexorable affair. Still, each holds something back from the otherâ€”dangerous, even lethal, secrets that begin to accumulate as autumn approaches, feeding the growing doubts they conceal.

Then someone dies. Was it an accident, or part of a plan? By now, Adam and Polly are so ensnared in each otherâ€™s lives and lies that neither one knows how to get awayâ€”or even if they want to. Is their love strong enough to withstand the truth, or will it ultimately destroy them?

Somethingâ€”or someoneâ€”has to give.

Which one will it be?
